HELPING AYA CANCER SURVIVORS ANYWHERE IN THE U.S.

"The process of applying for a grant through Worth the Wait could not have been easier. Finding fertility assistance is an extremely hard part of the journey, and the community at Worth the Wait was loving, supportive and understanding of my journey and timeline. I can not speak higher of a community of people and their desire to make a difference in the lives of cancer patients. This nonprofit is changing the game of cancer support!"
